Overview Eligibility Financial Contact Files

ID: SCBGP 2023

Title: Specialty Crop Block Grant Program - 2023

Application Start Date: 01/27/2023

Application End Date: 03/03/2023

CFDA: 10.170

Reference URL: <https://agriculture.az.gov/grants>

Summary:

To be eligible for a grant, the project(s) must enhance the competitiveness of U.S. or U.S. territory grown specialty crops in either domestic or foreign markets, including—(1) by leveraging efforts to market and promote specialty crops;(2) by assisting producers with research and development relevant to specialty crops; (3) by expanding availability and access to specialty crops; (4) by addressing local, regional, and national challenges confronting specialty crop producers; and (5) for such other purposes determined to be appropriate by the Secretary of Agriculture, in consultation with specialty crop stakeholders and relevant State departments of agriculture. Projects must benefit more than one commercial product (e.g., ABC Company brand), organization or individual. Projects must also be able to perform one of the national outcomes and indicators as described in **Section II.D. and Appendix C.**

The Specialty Crops Competitiveness Act of 2004 authorized the United States Department of Agriculture (USDA) to enhance the competitiveness of specialty crops. The Food, Conservation, and Energy Act of 2008 (Farm Bill) amended the Specialty Crops Competitiveness Act of 2004. Under the amended Act, the Secretary of Agriculture is directed to make grants to States for each of the fiscal years 2008 through 2012 to be used by State departments of agriculture to enhance the competitiveness of specialty crops. The American Taxpayer Relief Act of 2012 provided funding for fiscal year 2013, section 10010 of the Agricultural Act of 2014, Public Law 113-79 provided funding for fiscal years 2014 through 2018 and section 10107 of the Agriculture Improvement Act of 2018, Public Law 115-334 will provide funding for fiscal years 2019 through 2023.

----------	-------------	-----------	---------	-------

Eligible Applicants:

- Local Government
- Academic Institutions
- Consortia
- Native American Tribe
- Non Profits
- Private Sector
- Schools/School Districts
- State Government

Eligibility Notes:

State and/or local organizations, government entities, producer associations, academia, community based organizations, and other specialty crop stakeholders are eligible to apply either as single entities or in combined efforts. Regional or multistate projects may be considered by AZDA. SCBGP grant funds will be awarded for projects of **up to 2 years (24 months) duration**. An entity may submit more than one application packet, but **only if the application packets are for completely different projects**. If submitting multiple project application packets, please prioritize your submissions.

To be eligible for a grant, the project(s) must enhance the competitiveness of U.S. or U.S. territory grown specialty crops in either domestic or foreign markets, including—(1) by leveraging efforts to market and promote specialty crops;(2) by assisting producers with research and development relevant to specialty crops;(3) by expanding availability and access to specialty crops;(4) by addressing local, regional, and national challenges confronting specialty crop producers; and (5) for such other purposes determined to be appropriate by the Secretary of Agriculture, in consultation with specialty crop stakeholders and relevant State departments of agriculture. Projects must benefit more than one commercial product (e.g., ABC Company brand), organization or individual. Projects must also be able to perform one of the national outcomes and indicators as described in **Section II.D. and Appendix C**.

AMS SCBGP will not award grant funds for projects that solely benefit a particular commercial product or provide a profit to a single organization, institution, or individual. In addition, recipients and subrecipients cannot use grant funds to compete unfairly with private companies that provide equivalent products or services. Single organizations, institutions, and individuals are encouraged to participate as project partners.
